Re: Gasoline Spill at Jefferson & Central

At 9:30 a.m. May 24, 1979, we received a report of a gasoline spill at Jefferson Avenue and Central Street. (Self Service Oil Co., P.O. Box 6221, Rockford, Illinois 61125). Apparently Transportation Delivery Company was filling one of their underground storage tanks and overfilled it spilling approximately 15 gallons of gasoline. The spilled material did leave their property and traveled approximately one block south on Jefferson Avenue. The gasoline did not reach any storm box or water way. Sawdust was applied to the spilled material. Personnel at the Self Service Station were informed of their need to report the spill to the proper regulatory agencies.
